►10 Unique Classes that Let You Shape Your Own Legend The game allows you to freely combine weapons, armor, and magic, and it's no longer a matter of your class having a higher weight than the others. Become the protagonist of your own personal legend in the game.

►Introducing the Role of Your Equipment Experience the powerful role of equipment in the game. By equipping weapons and armor, characters gain a variety of advantages and disadvantages, and you can also make your character stronger. You can freely select equipment that supports your class's style of play.

►Defeat the Threat of Demonic Forces with the Immortality of the Human Spirit Gain the power of the Elden Ring and give your character the freedom of infinite progression. The story of the game is set in a world where the divine is inescapably at war with the demonic.

►A Unique Online System Connecting You to Others New play methods in an online game—by yourself or with others—are presented that let you experience the presence of others and discover new horizons. The game features an asynchronous online feature, and together with the online element, there are many elements that allow for the play of the game to be enriched.

►A World Different in Every Way A world built by giving you the power to freely adjust everything. A world that allows you to freely customize your character using a variety of skills or talk to the residents of the town and the surrounding areas. A world where monsters emerge from the slumber of the world, and a town populated by countless monsters.

SYSTEM DESIGN •Character development that encourages discovery and freedom In the game, the presence of millions of monsters such as the Skeleton Knight, the Wailing Knight, and the Black Knight make a visit to the town unavoidable. In fact, you can even set up a town entirely populated with monsters, such as the mysterious Crystal Cave or the Wolf's Town. The various monsters that appear are

equipped with unique skills, and the world in which they emerge becomes a battlefield of different strengths and styles of play.

•Environmentally Friendly Production and Beautiful Game ROSE ROYAL, the creator of the game, put real consideration into the elements of the game to create a world that can be enjoyed for a long time. Even if you are not interested in online play, the game allows you to enjoy the story

It is where nine Lords of the Elden Ring resided before they departed for the Silver Star. That is to say, the Land Between serves as a "Memorial Stage" to showcase the previous Lords of the Elden Ring. The stage is a castle tower where the nine Lords lived. Although that is a place different from our world, the Land Between is a timeless fantasy realm where all the seasons change depending on time, and the past has become the present. In that fantasy realm, the status of the world has risen and fallen. By uncovering the true history of the Land Between, the power of the Elden Ring, which was sealed for a thousand years, slowly returns to the people in our world. The Land Between has now become the ultimate setting for the fantasy RPG Elden Ring. Here you can finally make your dream come true. ► Press Conference September 11th, 2017, at the venue of "STAREMPIRE☆WORLD EXPO 2017" in Tokyo (bff6bb2d33

U.S. official: POTUS 'usurping power' on transgender bathroom issue WASHINGTON — President Barack Obama is usurping his power in the

transgender bathroom issue, a senior White House official said Wednesday, as the Supreme Court hears arguments over whether states have the authority to protect gays and lesbians from discrimination by barring access to public bathrooms and locker rooms that correspond to their sex at birth. The official insisted that the Justice Department has not changed its position in the last three years that says schools cannot exclude transgender students from the bathrooms and locker rooms that correspond to their sex. But while the official defended the Justice Department's views, they did not impact a decision the official, who was not authorized to speak publicly, made to block the publication of a memo written in February by
